<b>From:</b> Deputy St Pier	<b>To:</b> Committee for Economic Development
-----------------------------	---

---

- 1 The mandate of the Committee includes:  
*"To advise the States and to develop and implement policies on matters relating to its purpose, including...the promotion and development of all sectors of business, including...tourism."*  
Given the significant decline in visitors reported in the 2024 Travel and Visitor Annual Report including, for example, a 21% decline in visitors staying at least one night since 2019, what policies does the Committee advise are now required to promote and develop the tourism sector and reverse that decline?
-

2	What is the Committee's policy response, if any, to the drop in the Promoter score from 61 to 55 between 2023 and 2024?
3	What is the Committee's policy response, if any, to the question "To what extent did promotion of Guernsey influence your decision to visit?" which revealed very low rates of influence from certain forms of advertising?
4	What does the Committee regard as the highs and lows from the Annual Report?
5	What is the Committee's planned strategic response for the French visitor market ahead of the requirement for passports for all inbound visitors after September this year?
6	Has the Committee undertaken any analysis to ascertain the wider impact beyond the travel and hospitality sectors of a 34% decline in business visitors since 2019?
